

“Redefining diffraction” with the Golden Ratio in IOL Technology® and the Acriva^{UD} Trinova Pro Pupil Adaptive® with first clinical experiences.

VSY Biotechnology Satellite Symposium
Sunday, Sep 18th | 13:00-14:00 | Room SPACE 4

PROF. DR. IKE AHMED
MODERATOR
CANADA

“Why rethinking diffraction?”
With the Golden Ratio in IOL Technology
and Acriva^{UD} Trinova Pro Pupil Adaptive®

DR. KARSTEN KLABE
GERMANY

The new Gold Standard? Clinical results after
bilateral implantation of a new patented
trifocal IOL with enhanced sinusoidal vision
technology vs. PanOptix

PROF. DR. GERD U. AUFFARTH
GERMANY

Optical quality results from the D. J. Apple
Laboratory comparing state-of-the art
presbyopia-correcting IOLs

DR. RAMON RUIZ MESA
SPAIN

Initial clinical outcomes with
a new sinusoidal diffractive trifocal IOL
